ON WHICH ALL GOOD **VOTERS CAN STAND**

The Substantial Platform Adopted by the State Convention at Jefferson City This Week

tended the meeting of the state comnittee at Jefferson City Tuesday have returned and are highly gratified with the work of the convention which has placed before the voters of the state a platform which is a true and ringing declaration of principles and purposes-and which will Democrats Will Start the Fall Cambe carried out to the letter. The platform is the strongest put out by the party in years-and it will carry victory in November.

rival which claims to be "indepen- Gabbert. dent" but has gop tendencies also declines to give it but scant mention -probably for the same reason. Following is a complete digest of this The meeting will be the formal open- train and stepped directly in front of 4th; Paul Lyles and Jennie Lyles now that the deputy state health and city community—led by Bert great platform which means so much for the people of the state:

Welcomes the Women

"We welcome the daughters of Missouri into full political partnership with us and congratulate them and the women of America that under this Democratic administration, to properly bill and advertise them. which has made so many and finally successful efforts for them, they have been fully and entirely enfranchised by the ratification of the Nineteenth Amendment to the Constitution of party to a revision of the election pation of women into political activi-

"We favor the admission of women to all elective and appointive offices Immediately after the ceremony the within the jurisdiction of the state of couple left for a wedding trip to Chi-

only for roads.

Radical Changes

"Under the present administration, for the first time since 1873, the road
